Headquarters, 25th Infantry Division

Dear Soldier:

The leaders, Soldiers, and families of the 25th Infantry Division welcome you to Hawaii and to the Tropic Lightning Division! You are joining a proud team of quiet professionals. We are proud of who we are; we are proud of what we do and how we serve; we are proud of the service and sacrifice of those that came before us; we are proud of our families; and we are proud to live and serve in the great State of Hawaii.

We are determined to ensure that you and your family are properly received. Your gaining unit will assign a sponsor to assist in your transition. Moving to Hawaii has its challenges and we want to reduce the typical stress that moving can bring by having you knowledgeable on the unique requirements of this PCS move. Your sponsor will answer questions you may have about your job, the command, or the installation, and will assist with temporary lodging reservations as needed. If you would prefer to make lodging arrangements yourself, temporary military lodging is available at the Schofield Inn, Tripler Lodging or Hale Koa. Information on each facility is found at the 25th Infantry Division Homepage at: <http://www.25idl.army.mil/>.

The 25th Infantry Division homepage provides you and your family with valuable information and links for newcomers transitioning to the Division and Hawaii. Another great resource is the Military OneSource <https://www.militaryonesource.com/>. This site offers Soldiers information and links to a variety of topics and questions that a Soldier or family member may encounter concerning most aspects of Army life including relocation.

Once you receive your orders, a sponsor will contact you and will answer your questions. If you are not contacted, or need additional assistance, please call the Division Headquarters Staff Duty at: (808) 655-8763, DSN (315) 455-8763 or the Division's Human Resources Directorate at: (808) 655-1610, DSN (315) 455-8763, or by email at div25glstrength@us.army.mil.

Best wishes for a safe and pleasant journey to the Tropic Lightning Division! We look forward to meeting you soon.

Tropic Lightning!
